

**ATTESTATION REGARDING REQUIREMENTS OF
THE UTAH RADIATION CONTROL RULES**

Attestation must provide details on the following:

- * information indicating that the applicant has read and understands the applicable requirements of the Utah Radiation Control rules;
- * information on the radiation machine services to be provided;
- * information on the applicant's training and experience (see R313-16-400); and
- * information on the type of measurement instrument(s) to be used, including frequency of calibration, and source of calibration.

I _____ attest that, to the best of my knowledge and belief, the following information provided in this declaration is true and correct. I understand that the Executive Secretary of the Utah Radiation Control Board may request additional information to substantiate the statements made herein:
